

# What kind of cartridges can I shoot at the Indoor Range?

The *only acceptable rifle cartridges* are .22, .22 long, and .22 long rifle.

No incendiary, shot shell, or armor piercing ammunition is allowed.

Use "Specials" whenever possible. Substitute .38 special for .357, .44 special for .44 magnum.

Please report any problems or ammo questions to email: [three.birches.in.snowfall@gmail.com](mailto:three.birches.in.snowfall@gmail.com)
